STATEMENT OF VOTE

General Election, November 2, 1982

Compiled By
MARCH FONG EU Secretary of State

DEDICATION

This November 2, 1982 Statement of Vote is dedicated to the memory of Robert G. Williams, data processing programmer analyst for the Secretary of State's Office from July 31, 1974 until December 10 1982. Mr. Williams designed and programmed the Secretary of State's best-in-the-nation computer system for conducting the semi-official canvass of votes on election night, as well as the software for the subsequent official vote totals reported from the 58 counties in California. His many years of dedicated service to Californians will be remembered, and all those who worked with him over the years will miss his competence and expertise which were so greatly appreciated. His sudden death was a shock and loss to us all. We offer this Statement of Vote in his memory; it was the last program he worked on before his death.

GROVER CLEVELAND won the popular vote in the election of 1888, but Benjamin Harrison won the electoral vote and the presidency. There was no doubt how the makers of "Bandana" cigars felt about the election. They proudly proclaimed Cleveland as one of their "standard bearers".

Other political figures were incorporated into trademarks for commercial products in the 19th and early 20th century. Washington and Grant graced the inside of cigar boxes. Lincoln added a touch of partriotism to California fruits, and C. F. Curry, California's 19th Secretary of State, appeared on a product label.

Cover reproductions are taken from the extensive collection of California trademarks registered in the Office of the Secretary of State and preserved in the California State Archives.
